*A financial literacy unit which uses the mobile communications industry as a context.*

Name	School	Class	Teacher	Year/Level
------	--------	-------	---------	------------

Spare room for any other teacher tasks and/or extra room for working out etc.

A few other possible ideas...

Make up your own phone company, invent another type of calling card/phone, design and make a mobile phone model, make up your own task cards/contracts for another person (or even your teacher) to complete, make a model and/or diagram which shows how New Zealand is connected to the world, make up a 'Text' dictionary/fact file.
