Put Us in Order. Rewrite the numbers shown by the pictures, in the order they first appeared in the story. You could also cut the pictures out or draw your own.

My order:

1**2****3****4****5****6**

My Choice.

You have a number of different choices in this section. You can choose to do one, or all of them, or you could even make up your own related activity. Be creative.

1. Make a copy of your own front cover page based on the story, *Me and Nana bake a Cake*.
2. Make a copy of your own front cover based on something you have done in the kitchen with a family member or friend.
3. Do your own sketch or drawing about something that was in the story. There is room to do this in Task I below, or use other paper.
4. Make up your own mini model of something from the story, such as a cake, mixer, kitchen tools etc. You could use card, plastic, fabric, playdoh, dirt, twigs, leaves, or any other bits and pieces you can find.

Mixed Up Sentence.

Using the words below, put them in order so the sentence makes sense. The **green word** is the start of the sentence, and the **red word** is the end of the sentence. The answer is on P.4.

well. as, some, put, eggs, in, **Nana**

My Mini Fact File: Using the information from the story, write your own mini fact file/presentation about cooking. You can include other information that you already know about this as well. You can do this a number of different ways (ask someone if you are unsure). You may even want to do it like a mini booklet, where you cut the mini booklet out in the shape of something related to the theme, (such as in the shape of a cake or mixer). Your booklet may even have more pictures/ illustrations than sentences if you really like drawing.
