My Mini Fact File: Using the information from the story, write your own mini fact file/presentation about 'duck shooting'. You can include other information that you already know about this as well. You can do this a number of different ways (ask your teacher if you are unsure). You may even want to do it like a mini booklet, where you cut the mini booklet out in the shape of something related to the theme (such as in the shape of a duck). The book may even have more pictures/illustrations than sentences if you really like doing pictures.
