Trace  **What is the Matter?**

Fix Up  Trace over the correct letters, and circle all the letters that are in the wrong place.

Whta is the Matetr

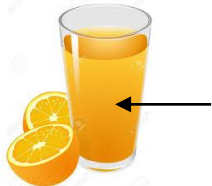

How many were in the book?

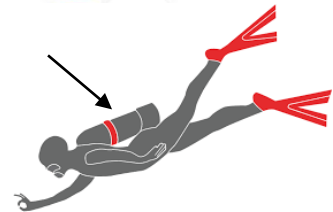

Match up then colour in/trace the words

gas bottle 

solid 

liquid 

If any of the above image words are underlined, it is only that word that is used in questions 6-8.

My Picture 

Make up a list which shows 3 different types of each matter (solid, liquid, gas). Draw a picture of each one. Then get a friend to try and guess which ones are solid, liquid and gas.

Title 

My Words  Write some of your own words which are related to the story, but which were not in the story.

Find the Words  Write words from the story that start with the letters.
g **ph**

My Turn  Using your own words, write your own sentence about something that happened, or that was in the book.

Question Time. Answer the questions.

1. What spreads out to fill the space it is in?
2. What does lava turn to when it cools down?
3. How does the iceblock change from a solid to a liquid?
4. What kind of matter is the train picture showing?
5. What kind of matter are the bubbles showing on page 5?

Word Study-I'm all mixed up. Write the words correctly.

For questions 6-8, the first letter of each word is written in a capital letter.

6. asG →

7. lidoS →

8. quLiid →

Find Me

9. How many times is this word in the book?

liquid
